

# Applications of the Inner Processes of Therapeutic Touch®

Saturday / Sunday Nov 6&7 and 13 & 14, 2021

9:30 am-1:30 pm each day (Pacific Time)

**Held online:** in the comfort of your own home.

photo credit: Mary Anne Hanley

In this Therapeutic Touch course we will use in-depth reflection, sustained dialogue and activities to:

- deepen our understanding of Self-Transformation as a Healer.
- explore the evolution of the inner processes of TT and their applications.
- discuss TT and its future and our place in it.
- explore shifts in consciousness that occur during the TT process.
- deepen our understanding of the inner self through exploring the phases and elements of TT.
- demonstrate the ability to communicate the TT process.
- appraise research findings and identify possible research or quality improvement projects.

**Prerequisites:** Foundations of TT (Basic); The Transpersonal Nature of TT (Intermediate) and at least 6-9 months of practice after the Transpersonal class (or at the discretion of the instructor)

**Important:** Please sign up early to receive course material, in order to prepare for the class.

Kathy Wilmering, MSW, ARNP, BC, QTTT has studied for 23 years with TT co-founders Dolores Krieger and Dora Kunz. For over 30 years she has helped people heal chronic physical and mental health challenges and has presented her work across the U.S., Canada, and Germany. Kathy teaches with humor, compassion and clarity.

**20 Contact Hour Course** *(Meets requirements of: Therapeutic Touch International Association)*

*This continuing nursing education activity was approved by the American Holistic Nurses Association (AHNA), an accredited approver by the American Nurses*

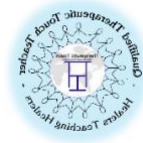

*Credentialing Center's Commission on Accreditation. AHNA Approval #1507*

*Approval for contact hours through the American Holistic Nurses Association (AHNA) is based on an assessment of the educational merit of this program and does not constitute endorsement of the use of any specific modality in the care of clients.*
